

Energy Workforce Development Compensation Program

If you →

- ✓ Have Interest in the Technical Energy Workforce
- ✓ Live in San Miguel, Ouray or West Montrose County or Rico
- ✓ Meet course qualifications
- ✓ Want to be compensated while you learn

Then follow these steps...

1.

APPLY & GET APPROVED

Visit Ecoactionpartners.org/energy-workforce to sign up! In order to get compensated after taking your course, you must sign up here first.

2.

TAKE A COURSE

A variety of course offerings are available, on heat pumps, solar, home performance, etc. Select the courses on your application and our staff will connect you with them upon your acceptance into the program.

3.

RECEIVE COMPENSATION

Once you have completed the course and received your certificate, send it to our staff to be verified and receive compensation for your time.
